

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF THE CRITTENDEN-LIVINGSTON)	
COUNTY WATER DISTRICT FOR APPROVAL OF A)	CASE NO.
PROPOSED INCREASE IN RATES FOR WATER)	2003-00311
SERVICE)	

O R D E R

This matter arises upon the motion of Stephen J. and Rita Watson, filed September 5, 2003, for full intervention. The Commission finds that intervention should be granted to the Watsons only upon the issue before it: the application for a rate adjustment. The motion for intervention contains a complaint for poor water quality and odor. Issues that concern quality of service may not be considered in the determination of reasonable rates. South Central Bell Telephone Co. v. Utility Regulatory Commission, 637 S.W.2d 649 (Ky. 1982).

The Commission further finds that the intervention of Stephen J. and Rita Watson, within the scope defined herein, is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings.

This Commission, being otherwise sufficiently advised, HEREBY ORDERS that:

1. The motion of Stephen J. and Rita Watson to intervene is granted.
2. The Watsons shall each be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should the Watsons file documents of any kind with the Commission in the course of these proceedings, they shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 11th day of September, 2003.
